NOTES:

- For continuing certification, payment in full must be made 1 month prior to the audit due date. Payments not received by this date may result in suspension of use of the OFC Logo.
- All international audits will incur a travel fee of \$1,100 plus GST. Audits in Western Australia may incur a travel fee of \$700. Audits in areas greater than 500km from Brisbane, Sydney or Melbourne may incur a travel fee of \$330.
- Any additional site visits and compliance work to the above will attract additional fees.
- Larger than average sized operations are quoted per job.
- Group certification negotiable.
- No levies, no export certificate fees.
- Fees non-refundable after audit conducted or after 30 days from receipt.
- Sub-processors are subject to an application fee.
- OPC's required to be mailed overseas will be charged a fee for postage.
- Interim Certificates issued due to late payment of audit invoice will have \$60.50 fee which is required to be paid prior to release of interim certificate.
- Administration fee of \$385 may be charged for reinstatement of certification after suspension or decertification.
- Fees for use of the National Organic Mark will be determined after discussion with OISCC is finalised.
